Furniture for the entire home

We all like different foods, from locally grown vegetables to exotic spices - the choice is amazing. We recognise that this is the same when choosing kitchen and bedroom furniture; different styles of homes with small or large rooms feature individual tastes that reflect the way you live. We have developed and created a comprehensive range of outstanding furniture that offers you the choice of design, style, colour and finish that will help you create an individual quality decor at an affordable price.

A collection of vibrant colours, subtle shades, woodgrain effect, metallic, textures, matt and gloss, the Colour Fusions range has it all. There really is something to suit every taste.

The Colour Fusions range has been cleverly designed to allow you to mix colour and finishes together to create something totally unique.

A collection of subtle shades or complementary bold paint finishes. This range has been created to offer a wide choice of colours and shades allowing you to select the perfect tones for your kitchen decor.

Mix together any of the colours in the Painted Fusions collection to create a unique decor. Also available with a primed finish for you to decorate with your own colour.

Strong partnerships

Crown Imperial recognise the importance of building strong relationships both within the industry, and also with other products with a similar ethos. Working with leading appliance manufacturers like Franke, Whirlpool, Hotpoint, Fisher & Paykel and many others, provides a great wealth of knowledge, experience and innovation. This helps in the design of new products and making sure there is seamless integration between furniture, worksurfaces, appliances and lighting.

Green & Black's Organic chose Crown Imperial as their preferred Kitchen Manufacturer for a number of their consumer events in 2015/2016. The Midsomer kitchen has featured at the Taste of London, Country Living and Stylist Live events amongst others.

Choice and quality

SPECIAL SIZE PANELS

Crown Imperial can supply special size panels direct from the factory to allow customised installations. For example, we can supply doors and panels to build around freestanding refrigeration. This saves time at installation.

ONE TAP DOES IT ALL

Omni 4-in-1 is the one tap that delivers not only hot and cold mains water but also cold and 100°C boiling filtered water. Omni delivers beautifully pure, fresh tasting water, so there's no need for expensive bottled water. Omni is easy to fit in new or existing kitchens, safe to use and ultra reliable with a 3-year warranty. Best of all, it's refreshingly affordable.

Stunning sinks and taps

Whether you seek a cutting edge contemporary or classic look, a selection of elegant sinks and taps is available to complement your choice of kitchen. Stainless steel, fragranite, glass and fireclay ceramic sinks are just few choices of sink material to choose from. Taps with filtered and boiling water technology are available in both modern and traditional styles, add a food waste disposer for a practical and environmentally responsible solution to food waste.

Cooling and cleaning...

The refrigerator is the largest and most frequently visited appliance in the kitchen, so why not build your kitchen around it. With Crown Imperial custom sized panels you can build around your choice of freestanding refrigeration. A full range of freestanding and integrated refrigeration and cleaning products from leading manufacturers are available from your local independent Crown Imperial specialist.

Beautiful worksurfaces...

...design and durability

One of the most visible and used part of any kitchen is the worksurface. There is a huge selection of different materials available including laminates, solid wood, glass, granite and solid surface. Solid surface worktops are manufactured using state-of-the-art technology to deliver a luxurious appearance, cool pleasing touch and robust performance day in, day out. They give the design flexibility to integrate sinks and drainers and to cut to shape. The same material can be used for upstands and splashbacks, as well as glass and stainless steel.

LifeSpace works throughout every room in the home and perfectly integrates with Crown bedrooms.

The furniture fits around the way you live, whether you are a large family with individual needs or a city living professional with limited space. Crown LifeSpace offers a solution for everyone. Crown's LifeSpace has been designed to provide clever storage throughout the home. The flexibility of this furniture allows your imagination to create and maximise the available space in each room for the ultimate efficiency in storage.

This fantastic range of storage and shelving innovations will achieve your dream LifeSpace. Exceptional features such as built in filing drawers, bi-fold cabinets and modular shelving are there to meet your endless storage needs.

And furthermore, you can pick your LifeSpace colour scheme and finish from the entire Colour Fusions and Painted Fusions palettes.

SHELVING

SYSTEM

LifeSpace offers a versatile shelving system with a series of options to choose from. You can have three heights and two depths for your shelves. In the same way, LifeSpace offers two options for shelf spacing which can be dedicated to suit the items you plan to store and display.

As with all LifeSpace designs, your shelving will be individual to your taste and storage demands. You can choose from several colours and wood effects so don't be afraid to mix & match to create a truly individual look.

Glass shelves will act to maximise the shelf space and either co-ordinating or contrasting cupboard doors can be attached within the shelving system to create extra areas of concealed storage.

SPACE TO RELAX

A space for you to relax and watch your favourite films on your home cinema system or listen to some music. With plenty of space to display your favourite books and ornaments, coupled with versatile choices for concealed storage.

Or even create a fun and vibrant space for children to play and store all their toys.

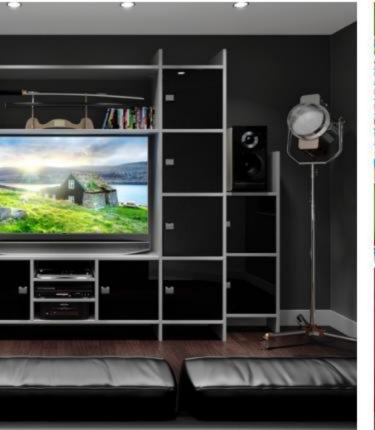

A peaceful and serene space for you to compose your next masterpiece, LifeSpace is designed around the way you live.

Available with a choice of handles.

SPACE TO DO THINGS

Make time and space to enjoy your hobbies, be it a sewing room or craft room, LifeSpace furniture can meet your needs.

Need a space to study, do homework, or maybe just somewhere to sit and browse the internet, LifeSpace furniture has it covered.

Available with a choice of handles.

SPACE TO WORK

Working from home or creating a home work space, LifeSpace has everything you need to provide the right storage options and desk space. Individual features include hanging file drawers, bi-fold doors, pull out shelving, moulded pencil trays and desktops.

Combine a combination of Painted Fusions Midsomer doors with beautiful textured Textura Sand Oak shelving for an elegant sophisticated look. Or mix the matt, gloss and metallic colours of the Colour Fusions ranges to create a clean modern environment. The choice is yours
